

Index Device

Inspiration
(Lore Dump)

Rien

CAD

(To Zoey Chen, 17, Canada. For Fallout create a device capable of receiving prescripts. Due June 20th.)

By the will of the City...

Functions?:

- Delivers random prescripts at random times (just like Hermes!)
- Beeps to signal a delivered prescript

Uses?:

- As a worse reminder app?
- Cosplay? (as Rien/Sora)

The Index is a criminal syndicate that revolves around fulfilling prescripts, which are instructions from a God. Their ranks are divided between proselytizers, then proxies, messengers, and usually, the prescripts are on paper slips, but the O... his apprentice, S... prescripts with m... vice via...
